**TERMS & CONDITIONS**

This Initial Type approval to the firm is for manufacture and supply of the material subject to the terms and conditions mentioned below:

- i) No modification without necessary permission/approval from RDSO is permitted in design (Hardware/Software), engineering and/or facilities in the approved model subsequent to the issue of this certificate. Any modification in the product shall lead to the cancellation of approval.
- ii) During the validity of approval, RDSO reserves the right to inspect this product at any premises where it is in use or at the place of manufacturer. If any deterioration of performance of the approved product is noticed during use in signalling & Telecom network, RDSO reserves the right to cancel the approval, irrespective of the fact who has inspected the material.
- iii) In case the material is supplied to the railways under consignee inspection, RDSO, of its own can check the material in the field and reject it if not found in conformity to the specification/Drawing.
- iv) In case of any dispute at any stage during the validity of approval verdict of the competent authority of RDSO shall be final and binding on the manufacturer.
- v) The firm shall not be part of cartel with other vendors and will be quoting competitive rates in the tender.
- vi) It is desirable to submit samples at least 6 months in advance before the expiry of the validity. Jt Dir/Dir should collect sample out of regular production. In case the firm does not execute any order during 6 months period before expiry of validity of type approval, firm may be asked to manufacture special sample for type test, Following criteria shall be followed for submission of sample for renewal: -
  - Vendors shall submit the application to RDSO on standard format QSF0006. Application form can be obtained from RDSO, free of cost. The validity of application form from the date of issue shall be six months. If the firm does not apply within 6 months of the issue of the application form, the firm will have to purchase the new registration form afresh.
  - It shall be responsibility of the firm to submit the application form for renewal to concerned Jt Dir/Dir/QA/S&T, within the validity of its approval. When the firm applies for renewal of registration within the validity of its approval, the name of the firm shall continue in the approved Vendor List with the same status.
  - When the firm fails to apply for renewal of registration within the validity of its approval, the name of the firm will be temporarily de-listed from the vendor list. If the firm applies for renewal, within six months of expiry of validity of registration, the renewal case shall be processed and the firm's name will be considered for inclusion in the vendor list only on finalization of the renewal case. If the firm fails to apply for renewal within six months of expiry of validity of registration, its name will be finally de-listed from the vendor list.
- vii) Firm in part-II shall be upgraded to part-I list only after compliance of the following conditions:-
  - Firm has applied in writing to concerned JtDir/Dir/QA/S&T/Field RDSO for upgradation from part-II to part-I.
  - The firm should have supplied minimum quantity of material ie 210 core Km and should have completed a minimum period of 12 months since issue of 1<sup>st</sup> I C.

Detail of important raw material used are ,

<u>Material</u>	<u>Source</u>
1. PVC Compound for insulation (TC-01 )	M/s Shriram Polytech
2. PVC Compound for Sheath ( CW-20)	M/s Shriram Polytech
